*'All my life's a circle ...
Harry Chapin and other singers,
poets, and philosophers have seen life as a
circle.
Life is not a circle though,
it is a progressing spiral.*

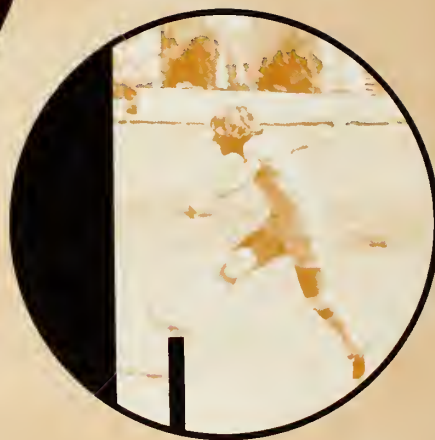

*We believe not for
beliefs sake,
but rather because
believing in change
creates the
possibility for hope.
A spiral is always
changing too,
but within its
prescribed
boundries.*

*Living in a
Christian
community,
C.L.C.,
involved in a
Christian
institution, the
church . . .
We make the
statement "I
believe," and
dare to say "I
believe that
things are
changing" . . .*

*Where is the
hope and
incentive to
go on if life is
in fact a
circle? A
circle that is
always
repeating
itself.*

*But things are
changing and for
the better. Life
is moving on. We
must strive to
make it better.*

*We move on knowing
that C.L.C., has
shaped us in our
striving, searching,
and seeking.*

*Together at Cal lu we
have shared the pain
of moving on . . .*

RENEW THE LU

Saturday, December 10 was the day for it and at 9:00 am all the participants gathered in the cafe, donned with work-shirts, denims, scarves, hats, and hearty appetites. It was RENEW THE LU day. That is exactly what was done. Groups of student faculty, and volunteers were gathered together, each with a specific goal in mind. Kramer painted Regents, Kramer Court and fixed up the pool area. McAfee built the SUB patio and cleaned up around the SUB. Mt. Clef painted the boiler room and renovated the fountain. Pederson helped with the new park and renovation of the pool area. Cleaning Kingsmen Park and painting the bridge was Thompson's task. The commuters and houses prepared the walkway behind the cafe. All 'n all the "work" day was a success. Rewarding not only in the renewed appearance of C.L.C. and renewed pride but the workers received quite a feast for their efforts. There were juicy steaks, corn-on-the-cob, and ice-cream! The sounds of "Orion" were heard as workers relaxed at Westend. Those still aching for some more excitement boarded buses for the Forum to watch the hockey battle between L.A. and Toronto. Thanks students, faculty, and Renew the Lu staff.

"This is a \$700 guitar?"

The concert CLC hosted were full of talent and vibrant expression. Riches of His Grace, composed of CLC students Alan Rose, Mark Rear-don, Bruce Stevenson, Jim Rower and Jay Ford performed many of the original songs written by Bruce Stevenson. Their sounds were mellow with a touch of rock. Holly Near's concert was quite a hit too. Through her music she reminded the audience of the need for social awareness while she freely shared herself and her individuality. As the rain echoed on the gym roof her Amazing Grace Medley rang high above it all. "Look all around you" was John Fischer's moving message. Reaching out to those around them, strangers and friends, the audience eagerly experienced the warmth of the line "touch someone near you and love if you can". These concerts caused the audiences not just to realize the vitalness of their message but also to experience it. The Barn was a good gathering place for reflection, fun and refreshments after any event.

Year Of The Judges*

In the history of American football, no team has achieved such rapid prominence as California Lutheran College. C.L.C. has rolled up a 78% winning record, the best in the nation. The Year of the Judges more than continued this tradition of excellence by capturing the NAIA District III championship for the ninth time and finishing as national runners-up.
